Department of Information Technology  
Ministry of Communications and Information Technology  
Govt. of India**

## How to install the app

- Please go to <http://mSBMUrban.gov.in> and click on Mobile App for IHHL Verifier Download Button. If you have downloaded the APK on a computer, then you need to transfer it to your Smartphone using USB cable. Once you have the APK on your mobile, you need to install it.
- Make sure that the first selection, Unknown Sources, is checked (on some phones, this might be under Settings->Security). This is to allow you to download an application that is not part of the Android market.
- Once the installation is done, you can use the application.

## Starting the application

To start the **IHHL Verifier** application, follow the steps given below:

- Click on **IHHL Verifier** icon

- The app starts and displays the splash screen.

## Logging into the Application

To Log in to the **IHHL Verifier** application and use the features provided in it, follow the steps given below:

- a. Start the IHHL Verifier application.
- b. After the Login page is displayed, enter valid verifier Login ID and press 'Submit' button.

- c. If login ID is valid, then application would ask you to enter the OTP Number (Credential provided to Verifier level for login on swachhbharaturban.gov.in).

The screenshot shows the 'IHHL Verification' app interface. At the top, there is the Government of India logo and the text 'सत्यमेव जयते'. Below that is the title 'IHHL Verification'. The main section is titled 'Authorization' and contains two input fields: one with the text 'ulbv' and another labeled 'OTP'. Below the input fields are two green buttons: 'Submit' and 'Reset'. A grey message box at the bottom says 'Please Wait for OTP No!'. At the very bottom, it says 'Govt. Of India Swachh Bharat Urban Mobile User Client Mobility Platform Support by NIC'.

- d. User would have received the OTP Number by **SMS** on phone (Registered mobile number) and **Email** (Registered email). Enter the received OTP number press submit button.

This screenshot is similar to the previous one, but the 'OTP' field now contains the number '4604615'. The 'Submit' and 'Reset' buttons are still present. The rest of the interface, including the title and footer, remains the same.

- e. If the user has entered OTP number correctly than ‘Login Successful’ message would be displayed and ULB Name and Ward list would be displayed in the Dash Board.
