How to install the app

- Please go to <http://mSBMUrban.gov.in> and click on Mobile App for Swachhalaya Download Button. If you have downloaded the APK on a computer, then you need to transfer it to your Smartphone using USB cable. Once you have the APK on your mobile, you need to install it.
- Make sure that the first selection, Unknown Sources, is checked (on some phones, this might be under Settings->Security). This is to allow you to download an application that is not part of the Android market.
- Once the installation is done, you can use the application.

Starting the application

To start the **Swachhalaya** application, follow the steps given below:

- Click on **Swachhalaya** icon
